The Comfort Times

Local heating/cooling contractor announces bold guarantee...

Your Comfort Specialist
Lee Painter

"I promise your air conditioner won't beak down this summer or this service is FREE!"

***Special for 300 229 New Clients!**

I want to give away my \$232 Air Conditioner Rejuvenation Service for only ~~\$199~~ \$99 to prove a point.

MY POINT

My point is simply this. I believe your air conditioner is using twice as much electricity as it needs to cool your home. I also believe it will break down more often and wear out sooner than it should. Here's why: vibration, dirt, voltage fluctuation... and even insects, mice and spiders take a toll on your air conditioner every year.

YOU CAN SAVE \$300

All that misery for your air conditioner can end up costing you \$100 to \$300 per year more than you need to pay.

That's why I've created an amazing "Super Tune-Up" that renews your complete cooling system to almost factory-fresh condition.

\$211 SUPER TUNE-UP FOR ONLY ~~\$199~~ \$99

My Rejuvenation Service is far more than the simple clean and checks or basic tune-ups you see advertised. In fact, my service specialist will perform seven additional critical procedures. More than you would ever get with virtually any other tune-up.

For example, he will test all the components in the refrigeration

cycle. He will evaluate the air flow through your duct system, clean your indoor coil and outdoor coil and apply rustproofing to your unit.

*ONLY 300 229 AVAILABLE

I now have the resources to accommodate the needs of 300 229 new clients into my business.

Even though most of my customers come from enthusiastic referrals, by my over 11,071 current clients, I've decided to "give away" my \$232 service for only ~~\$199~~ \$99 to a few home owners who might not be familiar with my company.

You only pay about the same price others charge for a simple clean and tune. And that's why I can only offer a limited quantity. So, I encourage you to call now and schedule your Rejuvenation Service.

Other Tune-Ups Available

*Regular Precision Tune-Up, \$89
Safety Tune Up, \$69

ONE MORE THING

Since you may not have used my company before, I've decided to take all the risk out of your decision by giving you a...

DOUBLE MONEY-BACK GUARANTEE

I'm so confident that my breakthrough Rejuvenation Service will save you substantial money and double the remaining life of your air conditioner that I'm offering the following bold guarantee.

1. If your air conditioner breaks down for any reason this summer, I will cheerfully refund 100% of your money... no questions asked
2. If you do not save at least \$99 on your electric) the cost of your Rejuvenation Service), I will also refund 100% of your money.

I don't know how to be more fair than that.

So, call now and schedule your Rejuvenation service. The only way you can lose it is to wait and miss your chance to be among the first to call.
